

{NULLIFY}

CTF:CYBER

Presented by NULLify Computer Security Group and UNO College of Information Science & Technology

NOVEMBER 14TH, 2015

Ready to shake-up the world of computer security? Dust off those hacking skills and head over to Nullify's CTF: CYBER.

IS&T's Nullify Computer Security Group invites you to participate in the fast-paced, exciting competition that will take your skills to the next level.

The Rules

High school aged students will form teams of no more than five students, with at least one participating sponsor from the school they are representing. Each team will be required to bring one laptop. Only four computers will be provided per team.

Check out the Capture the Flag website for a list of helpful resources before the computer security competition: ctf.nullify.uno

Registration

Please email: unonullify@gmail.com

Include your school, team members, faculty sponsor, t-shirt size and a short statement that you understand you will be asked to sign a press release.

Prizes

1st place – HP Stream 11.6 Inch Laptop for each team member
2nd place – Nexus 7 Tablet for each team member
3rd place – Wireless Sennheiser Headphones for each team member
